EMPLOYER CONTRIBUTION RATES SET TO INCREASE EFFECTIVE JANUARY 2010

As previously announced in our July 2009 PERS News, the employer rate in Plan A will be 15.75% effective January 1, 2010. The Plan B employer rate will be 10.00% effective January 1, 2010. The employee contribution rates for Plan A and Plan B remain unchanged at 9.5% and 3% respectively. Although these rates have been approved by the Board of Trustees, approval by the Public Retirement Systems’ Actuarial Committee (PRSAC) is necessary to make these rates official for 2010. For budgeting purposes, employers are urged to utilize these rates. Our office will notify you as soon as PRSAC has approved the rates for 2010.

ADMINISTRATIVE TRAINING WORKSHOP

In October of 2007, we implemented a training workshop for all participating employers. Attendance at our training workshops in 2007 and 2008 has been outstanding. With such a great response from our employers, we have made this an annual event. This year’s training workshop will be held in Baton Rouge on Tuesday, October 6, 2009 at the Marriott Hotel. This session is designed specifically for those who work with the retirement system in your parish or agency. This training is not appropriate for employees with questions on their own retirement.

At the time this newsletter went to print, we had over 40 attendees registered for this year’s workshop. For those of you who have not registered, a registration form is included on page 3 of this newsletter. Each attendant must complete a registration form in order for us to prepare for the correct number of attendees on October 6, 2009. Information on hotel rooms for the night of October 5, 2009 is included on the registration form as well as a tentative agenda.

Questions concerning the administrative workshop should be directed to Dainna Tully at (225)928-1361.

3rd quarter reports due in our office 10/15/09. More information on reports on page 4.

THIRD QUARTER CONTRIBUTIONS DUE OCTOBER 15: Forms to be used for remission of quarterly reports have been mailed under separate cover. These forms are also available on our website (www.persla.org) under the Forms tab.

As a reminder, quarterly reports for the third quarter of 2009 are due in the retirement system office on October 15, 2009. This deadline applies to both regular reports and DROP reports. R.S. 11:2014 C states that payments shall be considered delinquent when not received by the system within fifteen days after the close of each fiscal quarter. This statute also provides that a penalty of 1 ½% per month may be assessed on delinquent payments.

Please make certain that your quarterly report is signed by the appointed authority before remitting to our office. If you are preparing your report close to the deadline, you may want to consider utilizing an overnight service to deliver your report. The cost of a delivery service is typically much less than the penalty that is assessed for a delinquent report. Your report must be received in our office by October 15, 2009, in order to avoid a late penalty.

SUMMARY OF PRINCIPAL FEATURES: An updated version of the Summary of Principal Features has been sent to the printer. These new summaries will be mailed out to participating employers for distribution to all active members during the month of October. These booklets contain a general summary of the features of both Plan A and Plan B through the 2009 Regular Legislative Session.

UPDATE ON PROPOSED FEDERAL LEGISLATION TO REPEAL WEP & GPO: In our July issue of PERS News, we provided a list of bills in Congress which would repeal the Windfall Elimination Provision (WEP) and/or the Government Pension Offset (GPO) which is applied by the Social Security Administration to retirees who participated in a governmental defined benefit plan like our Parochial Plan A. Although there is widespread support of these bills, the cost of amending or eliminating these provisions seems to be the reason this legislation stalls each year. According to a recent estimate, eliminating WEP and GPO could cost as much as $80 billion dollars.

With the current problems facing Social Security, it is unlikely that a repeal of these two offsets will occur. Although a repeal may not be possible, a revision that would lessen the offset could help so many. Our office will continue to keep you informed on legislation introduced in this area.

RETIREMENT ESTIMATE REQUESTS: Those members who are within 3 years of retirement may submit a written request for a retirement estimate. During recent months, our office has received an extremely large number of requests. These requests are processed in the order received; however it is taking approximately 3 weeks to process a request. Please do not submit second requests to our office if an initial request has been submitted. We ask for your patience and understanding as we strive to service all of our members.

MANDATORY SOCIAL SECURITY COVERAGE: With the problems facing Social Security, we anticipate that mandatory Social Security coverage for government workers may again appear as a hot topic in Congress. Prior proposals for mandatory coverage would have applied only to new hires. However, as time goes on, even a proposal like this would seriously impact a governmental plan like our Plan A. Please continue to educate your congressmen about the negative impact of mandatory Social Security coverage for government workers.
